

**T LEVELS:**  
**EDUCATION AND CHILDCARE**

## WHAT ARE T LEVELS?

T Levels are a new Level 3, two-year technical programme that provide you with a high-quality alternative to A Levels. They have been developed in collaboration with employers, and combine theory, practical and classroom learning with a minimum 59-day industry placement. If you opt to take a T Level you will spend 20% of your time on an industry placement and 80% in the classroom.

After completing the course you can progress directly into work, on to a Higher Apprenticeship or study a university degree, as T Levels are awarded UCAS points.

From September 2022 we will be offering the following T Levels in Education and Childcare:

- ⤴ Education and Childcare (Early Years Educator)
- ⤴ Education and Childcare (Assisting Teaching)

These subject areas have been chosen to align with anticipated high demand skill areas for Greater Manchester and the wider North West region in the coming years.

## WHO CAN STUDY A T LEVEL?

T Levels can be studied by any young person aged 16-18 and students up to age 24 who have an Education, Health and Care Plan (EHCP).

If you are interested in taking a T Level you will need to achieve the below entry requirements:

- ⤴ Minimum of five GCSEs at Grade 4 or above including English and maths
- ⤴ Attend an interview
- ⤴ Attend our Summer School.

If you don't quite achieve these grades and would still like to pursue a T Level there is the option of a one-year **Transition Programme**, which will then allow you to move on to a T Level the following year and gain a qualification at the same time\*. Additionally you may still be accepted on a T Level if you successfully complete the Summer School programme and interview regardless of achieved grades.

We offer the following T Level Transition Programme as part of our Industry Excellence Academy:

- ⤴ Education and Childcare (Early Years Practitioner)
- \*Subject to meeting the course requirements.

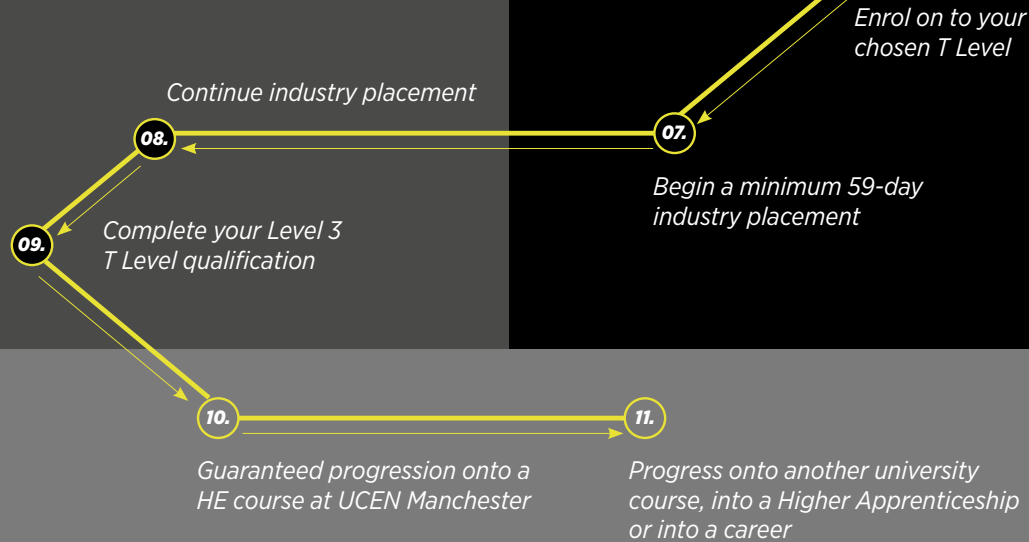

# TRANSITION TO T LEVELS

## YEAR 1

## YEAR 3

## YEAR 4

# SUMMER SCHOOL

Both T Levels and Transition Programmes require completion of our Summer School programme as an entry requirement.

Summer School is an introduction to our Industry Excellence Academy, T Levels and T Level Transition Programmes where students can meet their teachers and experience what online learning at The Manchester College is like.

Students will take part in a project based learning experience to demonstrate their creativity, teamwork and problem solving skills, as well as their resilience, timekeeping and commitment.

The programme is designed to inspire students to think like early years educators and primary school practitioners through a range of project-based learning challenges.

Topics covered on the Summer School include:

- Supporting education (early years educator)
- The role of the childcare practitioner (early years practitioner)
- Assisting teaching

## THE MANCHESTER COLLEGE **T** AWARD

Those successful in gaining a place on the T Levels or Transition Programmes will be eligible for the '**T Award**', a package of benefits that includes:

- ⤴ £300 per year bursary\*
